## Summer, Fianally!

Preparing New Location

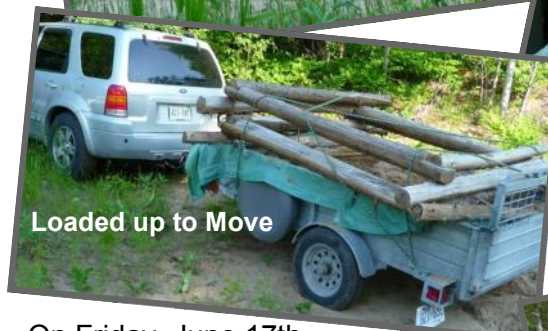

Removing the Sand

Moving the Sand

Loaded up to Move

Setting the Stakes

On Friday, June 17th John Brodhagen, Don McIlraith, Gerald Seltzer and John Wilkinson moved both horseshoe pitches from the garden area sand pits to the Pavilion.

Two trailer loads of sand filled the new boxes. We only got stuck in the sand once, but with a bit of manpower and some luck, we made it out.

Four old cedar benches and the large picnic table were re-located to the pavilion also.

The horseshoes are temporarily stored in John W's tool shed until arrangements are made to secure them at the Pavilion.

Looking forward to the first tournament of 2011!

## CAUTION

**BE CAREFUL  
WITH FIRE!**

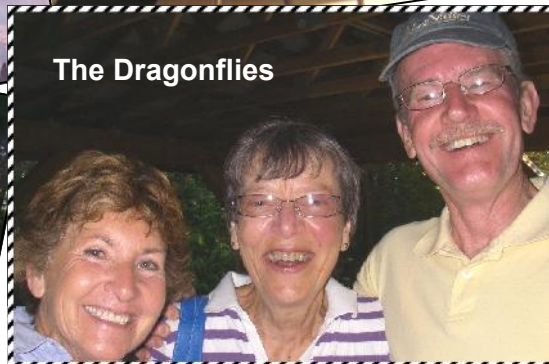

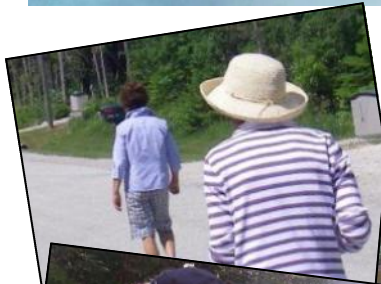

As the prediction this year is for a hot and dry summer, we would remind everyone of the need to be cautious with fire. Especially, we would request everyone to refrain from using fireworks.

Our forest is precious.  
Be sure to protect it!

The Pit Team

The Dragonflies

Here's a few photos from our June Scavenger Hunt. It was a great day with a good turn out of families and friends.

It was nice to see the most recent neighbours and "future" neighbours here in Lakewood attend.

Marilyn and Joan did a wonderful job with the clues and routes....well done!

Our "Master Grillers" John N. and Chris Rogers along with the goodies supplied kept everyone's plates full!

"The "Dragonflies"  
2011 Scavenger Champions,  
challenge all to be beat in the next  
"Hunt". Ursula and Donna W. have  
offered to organize a future hunt.
